Dale Carnegie Live Online Course Schedule May 2020

Build Trust- Credibility- Respect

Live Online

This course will ensure that your relationships are based on mutual trust, credibility, and respect, enabling you and your team to move forward together. Working remotely is the new normal for many in the workforce, and mastering these skills is vital to the value you provide for your organization.

May 6th

(2 Hours)

Adjust To Change

Live Online

The Corona epidemic can crush a business culture or create a sound future prepared to forge through any obstacle faced. In this online session, we will discuss the business challenges faced by the Corona Virus epidemic and how to overcome the hurdles, and create principles for adapting change.

May 13th

(2 Hours)

Time Management- Organize and Prioritize

Live Online

Next to your personal attitude, time management is the skill that defines your ability to make an impact. When you learn how best to spend your time, you'll be more productive and can focus on what matters most, with peace of mind.

May 20th

(2 Hours)

Secrets of Motivation

Live Online

This course reveals the hidden recipe for becoming a leader who inspires others to reach higher! Watch your team members soar, as they feel more understood and engaged in a remote workplace that gives them what they're looking for.
